Anyone that is not one of the badged personnel or paying FLOOR CREW will not be admitted at the unit entrance.

Please note the locations of the entrances and exits for unit members, spectators, and equipment on the flow map as we have changed many areas for a better flow. Performing members should enter at the appropriate unit entrances. All spectators will enter through the main entrance of the school as indicated on the flow map. Equipment trucks must travel to the rear of the facility to unload and then park. All equipment must be dropped off at this area. Spectator parking will be in the front lot and the administration lot. All buses and equipment trucks must park in the back lot after unloading/loading equipment. There will be guides posted at various checkpoints to help lead you to your destinations. For those groups attending critique, it will be held in the cafeteria staff room, which is located immediately to the left upon entering the cafeteria from the gym area.

There is a concession area located in the cafeteria. Due to school policy, all food and drinks must remain in the cafeteria. There is no food or drink permitted in the gymnasium at any time. Thank you for your cooperation with this policy. There will also be several areas to purchase merchandise for parents, group members, staff, friends and family.

We ask all performers viewing the show be seated in the back bleachers. Lastly, the Kiski Area School District will not be responsible for any lost or stolen valuables. If you have any questions or concerns about the show, please feel free to contact us anytime. We look forward to seeing all of you!

Sincerely,
