## **Director/Instructor for Lake Erie Regiment Indoor color Guard**

THRILLED to say I've accepted a position with Mercyhurst University as the Color Guard Instructor/Advisor. Mercyhurst will be putting a color guard on the field in the season to come! So excited I have the opportunity to be affiliated with 2 great Universities! Mercyhurst and Edinboro!! I will be recruiting for Mercyhurst University as well, so if anyone knows of senior band students or color guard members interested in Mercyhurst University, please email me. You can be in ANY MAJOR to be in the band! Students who attend Mercyhurst University for the Marching band and color guard receive small scholarships. I soon will have a Mercyhurst University email but for now, email me at [disney4shawn@roadrunner.com](mailto:disney4shawn@roadrunner.com). I can pass any student info interested in Edinboro University Marching Band and University to the director as well!!
